Dear Kris and Keith,

My Wife and I felt that we must write to you to express our thanks for the way your Company and Staff dealt with the project of our new build bungalow in Wembury .

From the moment of our initial meeting we had the reassuring feeling that we were in the hands of professionals, the estimate was received quickly ,fully detailed and competitive. Upon our acceptance of your quote ,the work started on time and progressed speedily, the site was kept clean, tidy and secure at all times and in spite of the difficult shape of the site ,disruption to the neighbours was kept to a minimum. In fact neighbours in the vicinity made many comments to us praising the speed and standard of construction , the thoughtfulness of the workers and the way deliveries of materials were carried out so efficiently.

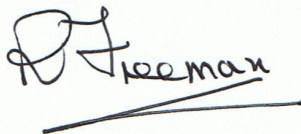

You kept us fully informed as work progressed with regular meetings and a series of progress reports and were most helpful in implementing the small changes that were made during the build, offering invaluable and practical advice at all stages of the construction.

All work has been completed to the highest standard and all involved in the build were courteous ,friendly and thoroughly professional.

My Wife and I could not be more pleased with the finished result and would not hesitate to give the highest possible recommendation ,praise, and our thanks to W.M.Construction and all their team.

Best Wishes

Mr and Mrs Freeman
Wembury
